

Appeal to Help Earthquake Victims in Nepal

Dear Friend of Nepal,

Nepal has been seriously devastated by the recent earthquake. Over 8,000 people have died (with death toll rising), thousands more are injured, and countless more have been displaced. Many homes, temples, and public monuments have been destroyed throughout the affected areas.

We are all still in shock, and find it difficult to grasp what has happened. The past few days were frightening and a difficult experience, sleeping outside in constant fear of aftershocks. Luckily everybody at WDS-Nepal is ok for now. Our staff is already helping in Emergency Relief activities.

We get lots of question on how to support Nepal. For this we can only accept Financial Support, other support is logistically impossible to accept. With this Financial Support we will provide aid where it is needed the most, we have already started distributing food, water, first aid medicines, polythene sheets/tarpaulins and blankets where necessary.

We seek your continued support to continue aiding those in need. Thank you so much for your trust in us. Together, we will rise!

We have opened our bank account for your donations if it is easier (or cheaper) to donate. If you wish to donate you can use the bank details below.

Bank details:

Name of Bank: Global IME Bank (Nepal)

Address of Bank: Ghorahi, Dang, Nepal

Name of beneficiary: Surendra Rijal

Swift Code: GLBBNPKA

Account Number: 4107010008042

Thank you once again for your concern; we hope to meet you again in better days.

Best regards,

White Dove Society-Nepal
